

Association of Village Council Presidents

The Association of Village Council Presidents has been notified by Myron Naneng of his decision to resign his position as AVCP President effective immediately.

Our organization is fortunate to have strong leadership in place to continue serving the people in our region. To this end, Mike Hoffman has been selected by the Executive Board to serve as interim President/CEO and assumes the duties of that office.

We remain focused on serving the 56 Tribes of Yukon-Kuskokwim Delta.
